

About CSI

CSI accorded the status of a Students Branch (SB) with CSI Student members since July 2011. CSI SB SVVV in association of Shri Vaishnav Institute of Information Technology has come to establish itself as one of the most active CSI Student Branch in Indore city through its consistent effort. CSI SB has a work force of many experienced students who have been working dedicatedly for the conduction of events including Technical fests, social events, seminars, workshops, FDP's & SDP's and guest lectures. CSI-SB has organized total no of 152 events including training, workshop, seminar, SDP, FDP & contests till date. SVVV is running student branch of Computer Society of India since 07 years successfully & awarded by CSI many times at national level including Best Accredited Student branch.

About Indore

Indore lies on a borderline between a humid subtropical climate and a tropical savanna climate. Because of its high elevation and inland location even during the hottest months, the nights are relatively cool, which is known as Shab-e-Malwa.

Indore has been selected as one of the 100 Indian cities to be developed as a smart city under the Smart Cities Mission. It also qualified the first round of Smart Cities Mission and selected as one of the first twenty cities to be developed as Smart Cities. Indore has been selected as the cleanest city of India two years in a row as per the Swachh Survekshan 2017 and the Swachh Survekshan 2018, respectively.

Pithampur is an industrial city, and has close proximity to Indore. Indore has also IT Park/Hub which includes IMPETUS, etc. Indore also has top leading IT companies like TCS, INFOSYS, DIASPARK, CSC etc.

Visiting Places-Rajwada, Khajrana Ganesh Temple, Mandu or Mandavgarh (Approx. 98 K.M. from Indore), Omkareshwar Jyotirlinga (Approx. 78 K.M. from Indore), The Lal Bagh Palace, Mahakaleshwar Jyotirlinga (Approx. 55 K.M.).

About SVVV

Shri Vaishnav Vidyapeeth Vishwavidyalaya is a private university established under Madhya Pradesh Niji Vishwavidyalaya (Sthapana Avam Sanchalan) Adhiniyam in 2015 at Indore M.P. (India). The University has been established with a vision to be leader in shaping better future for mankind through quality education, training and research. It shall pursue the mission to make a difference in sustaining the growth of global societies by developing socially responsible citizens, value based education being at the helm. The University shall promote endurance, excellence, fairness, honesty and transparency as its core values.

About SVIIT

Shri Vaishnav Institute of Information Technology is a premier institute established after thorough research and with a professional attitude through a team of highly qualified professionals with a wealth of experience from technical and professional backgrounds. Our University has collaborated with the International Business Machines Corporation (IBM's Software Group), Red Hat Enterprises, National Cyber Defence Research Center (NCDRC) to roll out degree programs that are jointly developed and certified to make sure the students have the best from the both the worlds of Academia and Industry. These programs are intended to bridge the gap between the Industry and Academia. IBM has setup an IBM Big data Analytics and IBM Cloud Computing Lab in the University campus. Benefit of Collaborated programs is to learn latest software content, real-world industry experiences, and hands on lab courses, best practices and case studies for the students. Students can access to various IBM centers for live industry experience as well as get an opportunity to visit IBM centers for live industry experience.
